## CIRRUS, COFFEE TABLE

### MATERIALS

Sandcast bronze, domestic hardwood

### SIZE

36" D x 16" H

\*Custom sizing available, please inquire

### DESCRIPTION

The Cirrus Coffee Table juxtaposes structural solidity with lightness of form. The graceful leg shape creates an aperture as it meets the mass of the tabletop, the negative space highlighting the distinct qualities of each material. Hand-sculpted legs are sand cast in solid bronze, vestiges of the casting process remain visible as texture and patterning.
