

NEW FORMAT

CIRRUS, CONSOLE

MATERIALS

Cast Bronze, Black Carmanah Marble

SIZES

72" L x 12" D x 32" H

* Custom sizing available, please inquire

DESCRIPTION

The Cirrus Console Table juxtaposes structural solidity with lightness of form. The graceful leg shape creates an aperture as it meets the mass of the tabletop, the negative space highlighting the distinct qualities of each material. Hand-sculpted legs are sand cast in solid bronze, vestiges of the casting process remain visible as texture and patterning.

SHOWN

Shown in Black Carmanah Marble top and Weathered Bronze base
